Chair report

Hello Family,

This month was a pretty slow month. I made phone calls to the acting GSR for Scottsbluff to see if we could do a social distanced meeting at there meeting facility it was agreed that it would probably be better to forgo doing the meeting in Scottsbluff this month so we are having our meeting via Zoom. Reached out to our Treasurer to see if I could be of service in the audit. She seemed to have it pretty well under control. We reviewed her finding in the audit upon finish. Spoke with Dustin on contact information for H&I folks in Cheyenne to help carry the message to the facilities, I will continue to work on that. Also posted on the non official WYOBRASKA FB page about today’s meeting hoping to get everyone here.

WyoBraska Area Service Committee MTG Treasurer Report Prepared by Bailie A. Dec. 12, 2020 to Jan. 8, 2021 Hello NA family, I hope everyone had an enjoyable winter holiday season! This month was a full one. I completed the Audit requested at the last meeting which is attached in a different file. I finally received the card from Bank of the West just this week (the first one they sent got lost in transaction apparently, so I had to request another be sent after the holidays) and was able to submit our donation to NAWs, as well as pay our overdue phonenumber bill through FreedomVoice. After having a bit more time to go through the bundle that was given to me by Karen of treasurer records, I would like to make a request to purchase a USB flash drive to keep all digital financial matters organized on. I would also like to request the purchase of an expanding file folder for organization of the paper documents. I believe this will be a huge benefit for future

incoming treasurers. From pricing research, a USB flash drive will be about \$10, and an expanding file folder will be about \$8, plus tax. I was able to talk to our banker, Zechary Gunther, and remove the monthly service fee of \$25 for lack of activity. As you will see in the Audit, that was adding up quickly. The title of our account is now an "Any Deposit Checking for Business" meaning we are only required to have a one deposit per month. If we fail to make a deposit, then a service fee of \$10 will be applied. We also eliminated the \$3 a month paper statement fee by going online. Since the bank only goes back 18 months for online banking, the plan will be to do as I did for the audit and download copies of the account summaries for our records. If you have any questions, please do not hesitate to reach out to me at 307.761.2449 or by email at ba444life@gmail.com. Happy New Year to you all, it is going to be a great one! In Loving Service, Bailie A. Acting WBASC Treasurer

RCM & RCM 2:

Good Afternoon Family,

We hope this report all finds you well and healthy and we hope your new year is going well also. 2020 was a very trying time for Narcotics Anonymous, it also proved that we are a resilient fellowship and our promise still holds true...freedom from active addiction. Since our last Area meeting in December we haven't met at

Region. The next Regional Business Meeting will be held on February 6th 2021. That Regional Meeting will be available for attendance on the URMRNA Zoom Account and were discussing possible in person attendance in Casper if interest is high enough.

Since the last Regional Business meeting in October Region has hosted a webinar with the BMLT guys explaining what the Basic Meeting List Toolbox is. Gail W. Dave W. and Derrick T. attended the webinar. It is something we would incorporate with our regional website to streamline back door access by administrators and would make it easier for areas, regions and zones to collaborate on meeting lists. We will be discussing it more in depth at the next Region. If there are any questions please direct them to Derrick T, or Gail W.. For the past several months there has been Zonal Collaboration between US Zones sharing information and looking at ideas on how the zones can carry the message. Gail W. has been elected the Rocky Mountain Zonal point of contact and has been attending these zonal meetings Something cool that took place is the U.S. Zonal Forum held a 3 day New Years day event with speakers, workshops, and a talent show in which NA members from all over the world attended, its was the largest NA collaboration in NA history.

The Regional Zoom Account Meetings are pretty much narrowed down to Tuesday which Jason K has been chairing which is getting good attendance .

Far as the questions that were suppose to be taken back to the groups by GSRs we as RCMs haven't gotten any feedback on the questions from the groups, maybe this is something we can discuss why the questions are not being taken back to groups.

In closing we thank you for allowing us to be of service to this service body and hope your current year is better then the last.

In Loving Service

No Matter What Group:

Hello NA Family!

Here is our report from The No Matter What Group. Sorry I am unable to attend today due a previously scheduled family trip. I miss you all and will be in attendance next month. Over the last month we have continued to carry strong with 5-10 members in attendance. We have also welcomed 7 newcomers either in person or over zoom, super exciting ! We continue to advocate and work on getting other members into service work but that is where we are struggling unfortunately. Our total balance this month is \$38.99, we do not have a donation to area at this time. We discussed the questions from last month with the group focusing on service work and really putting out there how beneficial this is to recovery. Thanks for all you do!

Unity Days:

Hi all,

A Unity Days ad hoc met via Zoom on January 3rd!

Abby and Dustin were in attendance and we discussed:

- Finding dates and a location for Unity Days. We settled on July 30th, 31st, and August 1st 2021 for the event!
- Due to COVID-19, and therefore a potential lack of in-person attendance, we needed to do more research on a location.
- We are hoping to make available via Zoom the speaker meetings held in the evening (at least) for those uncomfortable, unwilling, or unable to attend the event in person.

Following this meeting, we rescheduled for 1/9 and met right before Area. In this meeting, we discussed holding Unity Days in Colorado due to new state park regulations about reservations in Wyoming. We are looking into two options:

Lake Granby, CO and Red Feather Lakes, CO. More to report after we meet next month! We really don't think we will be able to host a live virtual component while also staying outdoors/camping, etc., so we are rethinking how we will make available the events of Unity Days!

Finally, we hope to meet every 1st Sunday of each month via Zoom. Would it be possible for us to use the Area zoom account to do so? Otherwise, I have to use my work account and I would prefer to avoid that practice.

This, then, means that our next Unity Days meeting will take place on February 7th at 12pm! The link is forthcoming.

We need help with: funds, merchandise, speakers, event planning, workshops, etc. Needless to say, there are multiple opportunities for service and we need help. SUIT UP AND SHOW UP, Y'ALL!

ILS,
Alyssa C.

H&I Chair:

Hello Area,

With this subcommittee in its infancy, I believe that much more structure must be established before we can make the necessary steps to taking meetings into facilities as an Area. I believe we should get in as soon as possible while following the steps and traditions as well as following local guidelines and guidelines established at World. PR will be meeting January 17th at noon over zoom and I encourage all to come and be of service and see what we can do as an Area, for our Area. There is a lot to do and I look forward to doing it with you guys.

In Loving Service,

Literature Chair:

I have \$64 from miscellaneous sales. I carry the boxes in my car and it's available usually. If notified and planned I can usually meet anyone at a meeting. I did get some additional literature from Bubba but I need to make a literature order to restock mostly books.

I did get a receipt book and supplies I would like to get reimbursed for \$11.92.

ILS,
Peggy

PR Chair:

Hi all!

I have attached the newsletter! The only edits need to make, I think, are for the Meeting of the Month and any additional anniversaries. After I get that information, I will send this to Robert to be sent out (as I remember hearing he would have a comprehensive, updated email list of members of Area). If you are a GSR, please make sure your home groups see these and let group members know they can send clean dates, suggestions, etc. to wyobraskapr@gmail.com (this is listed at the bottom of the newsletter).

Also, Derrick received communication about getting passcodes on our meeting lists and a virtual meeting list uploaded to our website! Maybe we will hear more today!

I updated our phonline message. I left a recording that directs callers to our website for comprehensive meeting information and the option to leave a voicemail. I think we can discuss options for what our phonline can do.

We can leave a menu option for meeting dates/times, but honestly I think our Area is too big for that and addicts/interested callers can refer to the website which is more frequently updated and has more information. We can also set up a direct dialing system and therefore a phone line service for addicts in need. This is a really cool thing we can implement but it will require more work and service positions. I have been part of a service body that implemented and upheld a similar system and would be happy to discuss it if there is interest. I can also download and see reports for who called and when! I attached one for December-January. We only had two callers! I will ask again as I did last month: I heard addicts somewhat recently express interest in a potential Learning Days or PR doing some in-fellowship training. If this is something you might want, please email me at wyoibraskapr@gmail.com and we can chat about options! Finally, we hope to meet every 3rd Sunday of each month via Zoom. Would it be possible for us to use the Area zoom account to do so? Otherwise, I have to use my work account and I would prefer to avoid that practice.

We will meet January 17th at 12:00pm to continue drafting guidelines as we were a year ago! We will meet at this link: <https://uwyo.zoom.us/j/96798074730>. Please come, especially if you have interest or experience in drafting guidelines!

Discussion was had about the fact that World serves the Zones; Regions serve the Areas; Areas serve the Groups; it is important to remember this when we are serving one another.

All committees to be called Chairs – YES/ provide annual budget; this is going to be difficult for right now do to COVID and PR still working on its guidelines.

Peggy asked if we should take meetings of area meeting list if they do not show up to area. This was tabled do to groups at Alono club working to come together as one group.

New Business:

Do Groups want a learning day on GSR position?

Molly asked for area support with Literature for her group. Was discussed and passed 2 step working guides and 2 basic texts. Jason K. to match.

Alyssa brought up that Freedom Voice can forward phone calls to specific list of recovering Addicts to help with phonenumber and getting addict connected as well as recorded information. If groups want this they must have phone line training.

Hello NA family,

I hope you are all well. This month we had deposits totaling \$373.00 and we had \$562.42 in outgoing monies bringing our bank balance to \$2,626.97. Less the \$300 prudent reserve and

\$1,000 Unity Days reserve our opening balance for the March meeting is \$1,326.97. The full

summary of details is available below.

From the February meeting there was a donation from the Cheyenne Strong group of \$50.00 which I have not received yet due to my own oversight, however I have been in contact

with the GSR, Brandon T., and the oversight will be remedied before next months meeting. I also

wrote a blank check for the purposes of reserving the Unity Days location and have not received

a confirmation of the amount as of today. When these monies are accounted for, they will reflect

in my account summary, the goal is next month.

As per the request at the February meeting, I have created a Venmo account for WyoBraska Area and it is linked to the bank account. The username for this account is

@WyoBraskaNA. If anyone feels the username should be different please let me know. I am grateful for the opportunity to serve and am excited for us as an Area body to continue growing and learning together.

RCM: Dave W.

Hello Family. Here is my report for March.

As I've already made the reports on region business during our February meeting my report will not be as lengthy.

We did host the emergency meeting with Jenn W. From Casper and we came to an exciting conclusion regarding the Regional Convention. Jenny W. From Casper the

hosting Area was able to put together a new and willing committee to host the convention. The dates are September 17th through the 19th in Casper. There is a new logo and hotel this year. The details are still coming together but this is extremely exciting news. We will adhere to any and all Health Guidelines that may still be in place for the convention. As our 6th tradition suggest we have a duty to represent Narcotics Anonymous well and responsibly. It is also a major source of the Regions 7th tradition funding and two years in a row without these important replenishing funds it could seriously affect Regions ability to continue work and carry the message.

At this time that is all I can report on.

Also Region is hosting a virtual GSR assembly or learning days in April on the 3rd. I believe the info is now posted on both the WyoBraska and URMRNA websites and has been posted in the non affiliated WyoBraska FB group. I strongly suggest GSR's and committee members of groups, Area and Region attend this assembly to better learn what there service positions require amd how to better serve the still suffering addict amd carry our message.

We are also still looking for nominations for am RCM2. We will be voting on that position today if a nominee is presented.

This is all that I have to report on at this time.

Hello Area,

Live from Laramie meets seven days a week with regular attendance ranging consistently from 5 to 15 with an average somewhere between 8-10 people per meeting.

Our speaker meeting is every 2nd Friday of the month at 8pm. Reno from Casper will be speaking on April 9, 2021.

We adopted our first group guidelines this month.

This month we are donating \$50 to area and \$50 to NAWS.

Group conscience voted in favor of removing the 10% surcharge on literature and of keeping the literature chair as a service position at the area level. The group also voted to keep the treasurer as a single point of contact for the payment of literature orders, that the literature chair enter the order and the treasurer pay for the order.

Hello everyone,

As you all know by now, I will be unable to attend this month's business meeting due to work.

Nonetheless, here is my report. We were unable to take a meeting into the jail in Laramie this month due to me leaving unexpectedly. I am still waiting to hear back from TRP but will reach out again this week. I have also reached out to several members about the jail and have heard nothing back. I just want to reiterate the point that our PR meetings are the 3rd Sunday of every month at 12pm over zoom. Alyssa puts the zoom link in her PR report. PLEASE TAKE THIS BACK TO YOUR GROUPS. We need help

with PI and H&I. This PR meeting is where we meet to make things happen as far as PI and H&I goes.

This is a WE program, and we need help. If you are interested, show up! If you have any questions, you can email me (dsaban1992@gmail.com) or call me (307-343-0232).

Hello all,

I will not be attending the meeting this month. Due to the weather, one of my coworkers can't make it to Scottsbluff and I am covering her shifts.

There was one literature sale of \$25 of 10 Intro to NA (Glossy). I have most books on hand, IP's, coins, keytags but I do not have any little white books. No literature order will be made this month.

Since you are probably going to be voting on the needing the literature committee my vote is definitely yes. Since the temperature of the WBASC area seems to be changing I hope to keep the literature as a necessary service to the groups. Covid has made a major shift into what has been normal this last year but I am seeing society wanting to return to what had been. Vaccinations will have a great impact on returning meetings to what they used to be. Habits are difficult to change after no literature had been available for years at the WBASC level. Getting the Literature Committee restocked and running to this point has been over a 2 year project. Please don't waste what we have accomplished so far. Keep the Literature Committee and help us move forward towards a growing and productive area.

Hello WBASC,
We have had a busy month! We put a call out for logos for our theme, The Ties That Bind, and got two (so far). I am looking forward to seeing what we have today! I love to know so many talented addicts.
We are moving forward with Wild Bill's land. Due to weather, we haven't had a chance to check it out but whatever it is, we will make it work!
We are considering our agenda, workshops, and speakers now, and we have a lot exciting ideas coming together. We have discussed workshops to develop content for our newsletter, hosting panels for women and men in recovery, and of course, FOOD, FOOD, FOOD.
We will be charging \$25.00 for registration and this includes two meals. There are, of course, no parking or camping fees as we are using private land. But since we are paying for the land, registration also covers two nights of camping.
More to come soon!
We moved our next Unity Days meeting to April 11th at 12:00pm due to Easter.

Vice Chair Report,

Good morning Wyobraska Area. I only have a few things to report on today and I quite excited about both of these. The VOA, formally, TRP) Meetings are going well however we need just a little more communication and attendance at those meetings. The center is only allowing 3 outside members at a time to come in. The addicts in recovery there need sponsorship. Also, we are going back into the Laramie county Detention center starting tomorrow to carry a message there. I spoke to Paul at Carey Jr. High last week about doing school panels again in 2022. These are my favorite service positions. Please help me rock the Wyobraska area. If you need anything please reach out.

Hello NA family,

I hope you are all well. This month we had deposits totaling \$248.00 and we had \$508.56 in outgoing monies bringing our bank balance to \$2,366.41. Less the \$300 prudent reserve and \$1,000 Unity Days reserve our opening balance for the April meeting is \$1,066.41. The full summary of details is available below.

From the February meeting I wrote a blank check for the purposes of reserving the Unity Days location and received confirmation from Josh K. that he would be sending the check to Robert K. for securing the location. The amount will be \$150.00 and will reflect in my account summary report when I have confirmation that it has been sent and dispersed

Hello family and fellow trusted servants of the WyoBraska Area.

My Area Report is short and sweet this month. As we have 4 Area meetings to every 1 region. The GSR Assembly/Learning Days was a success hosted on April 3rd by Region. The PowerPoint and training were facilitated by Gail W. And Ray B. Our delegate team. There were about 27 members in attendance. The power point is available upon request.

The BMLT server is up and running so we are asking groups to please glance at the updated meeting list to make sure all info is accurate.

Lacey M. Our secretary at Region emailed out updated Regional guidelines to reflect training guidelines and amended minutes for our regional meeting minutes. We are also a part of a month long event called "THE JOURNEY CONTINUES" hosted by the Washington/Northern Idaho Region. Our sponsored involvement date is April 21st. I have

included those flyers. In my Report. Also the URM RNA has been able to add the Convention to sign up to the Regional Website. Please check it out and reserve your spot.

At this time that is all I have to Report.

Live from Laramie:

Hello WBASC,

Here is my report for Live from Laramie:

We are planning for our campout and have a meeting on April 18th at 6pm to plan! We are a little under our reserve, I think, but we pull through always!

We have discussed adding to our format a suggested limit for sharing since we have so many people in attendance! What a great blessing.

Our meeting attendance, therefore, is awesome and we are still thriving.

We will donate to Area quarterly per our new guidelines for our homegroup so we do not have a donation this month.

We tabled the PR guidelines because we did not receive a copy to read and therefore approve or not.

No Matter What Group:

Hello NA Family! I am GSR for The No Matter What Group in Platte County. We are still kicking strong platte. Our group is Thursday nights at 7pm at first christian church in Wheatland Wy. Concerns remain the same with little very participation in service areas for our group. I am still lost as how to get participation. Attendance continues to be no less than 7 no more than 11. We have no donations this month. No new business or concerns other than what mentioned. We have opened up our meeting to zoom for everyone who would like to join and exciting news is Goshen jail will be joining us and I am working on Platte jail now.. I continue to be GSR, Tab is treasure and Josh M is secretary.

March 7, 2021 **Hello family!**

First, a big thank you for the support and help with March's game night event.

I am incredibly grateful to Brandon, Bailie and Abby for helping facilitate March's event! Here is what the event brought in for area:

28\$ from 7th tradition donations and \$50 from 50/50. \$50 was sent to Lacy, the winner. Bailie, was gracious enough to distribute the \$30 worth of Starbuck's gift cards to the game winners.

Total of \$78 raised to area for/from activities. With the \$30 provided by area for prizes, profit was \$48.

Activities subcommittee has not met to discuss the next event.

Cinco De Mayo is the next holiday. I am asking for input on a hybrid setting for this event (granted I stay in my position) .

The location is 2232 Dell Range Blvd. Suite 302 Cheyenne and has a capacity of 50-60 people with social distancing. Masks are optional and we will have zoom set up for those who would like to attend online. The rent cost for this space is \$10. The time will be from 7pm to 10 pm

The subcommittee meeting is scheduled for Saturday, April 17th @ noon on the area zoom account to discuss further.

I have so enjoyed serving as your activities chair!!

If you would like to get involved in activities service , please email or call me!

H&I Chair: Dustin S.

Hello everyone,

I have been in touch with Steve and Mike about getting meetings back into the jail. There was a briefing this last month that many of our members attended. The jail in Cheyenne is taking applications and will hold other briefings for new members when needed, I believe. We will start taking meeting into the Cheyenne jail starting tomorrow. I am not sure what time. The jail meetings in Laramie have also been washy because of members inability to attend. Hopefully we can start getting more in consistently.

As most of you know, I have found employment. My job will take me out of town inconsistently with the length of work being unknown. For this reason, I will be unable to fulfill the requirements expected of me as H&I Chair. I believe it best for both the Area and myself to step down. It has been a pleasure to serve with you all and I hope for the opportunity again in the future. If the area needs anything from me, please do not hesitate to ask. I do not have much in terms of paperwork and can hand the H&I booklet to the next chair. I am willing to help ease the transition with whomever you choose to be the next H&I Chair with what I have learned and acquired about this area. [307-343-0232](tel:307-343-0232).

Gratitude,

Hello all,

I won't be attending the Area Meeting today. I have other service responsibilities to complete.

Sales for the last month to be deposited today are \$32.00. I sold two IWHW and 10 white books to Middle of the Boat.

Next month will be my last month in service as reported in the previous months. I will be turning over the literature to whomever is elected. I will have an inventory to turn over the new person in service and will pass on the userid and password then also.

Thank you for letting me of service to the Wyobraska Area Service Committee of Narcotics Anonymous.

Hello WBASC,

The Public Relations subcommittee has little to report. We can't wait to get our guidelines in shape to structure our service body and ensure we are carrying the message as a fellowship. The group is the vehicle with which we carry the message! We are still awaiting attendance from

those members who are actively engaging with the public and various other institutions so we can ensure all members are free to carry the message as a group and be aware of the opportunities to do so, as well as have those members serve other institutions in need. I know Wheatland has had some success getting into Torrington! I imagine we will hear more about this today. Additionally, the Behavioral Health Services unit of Ivinson Memorial Hospital here in Laramie reached out with requests for literature and meetings lists, which we were able to fulfill.

The BHS unit also proposed a potential in-house meeting and/or informational session for professionals. I will take this great news to PR this month and see if there are enough willing members to fulfill this request. We can maybe do both, though I am unsure where we have addicts already serving and how many would be willing to engage with PI and H&I work beyond Cheyenne (since our Area includes towns outside of Cheyenne, after all).

Attached you will find the phonenumber report for calls made from February 1st to April 9th, 2021 (as I forgot to include this information last month):

Good morning Family,

I don't have very much to report on this go round. I did participate in our Area P.R. Subcommittee meeting, where we didn't get to cover much due to being in the middle of guidelines changes. I also cooked for the advents committees Cinco de Mayo event which I felt they did an amazing job at!!!! I had a lot of fun at that event. There were over

Hello NA family,

I hope you are all well and enjoying the beautiful weather, summer is so close! A lot to report this month so I will do my best to keep it brief!

not due until May 14 so will reflect in my report next month.

I also created the G-mail for the treasurer, it is wyobraskatreasurer@gmail.com.

Dear WBASC,

I feel it has come to a time where I need to elaborate on some of my past requests.

Currently, it is now taking me almost 3 weeks to put out the Area minutes, when it should only take 7 – 10 days. This is because I spend most of my time spell checking, fixing grammar mistakes, fitting reports into readable margins, fixing run-on sentences, editing, or having to re-write reports completely. Please take a little more pride in your reports

In addition, from now on, please write your reports, if possible, on WORD, and E-Mail them Directly to me at karenlang714@gmail.com. If I don't receive them within 1 week after Area, I am considering not including them in the minutes. It is too difficult chasing everyone down, and going through Robert is messing up my computer and takes up his time too.

This is interfering seriously with my personal time. I will discuss this next Area.

If anyone has any suggestions, they are welcome with an open-mind. I love you all.

All apologies if any report were left out this month. It wasn't personal.

Hello Family,

It is with a heavy heart that I let everyone know that Conscious Contact is no longer a group. It was an honor to be of service during the most difficult times of the pandemic, but things are continuing to change. We simply do not have the support needed to continue. I look forward to supporting the meetings that continue and the changes to come. Our remaining 7th tradition balance of 220.00\$ will be divided 3 ways to area, region, and world services. Dear WBASC,

I still haven't received e-mails with links. I didn't think it we decided to do Zoom, but if it was decided, I clearly missed it.

Josh will be standing in for me since my son has a wrestling meet in Casper. We have had 7 members 17 new-comers,

And a handful of out-of-town visitors via Zoom. Thank you to those who joined our meeting this month. It was refreshing

to get new people with new shares. We have had no more than 15 people attend. We don't have a donation this month,

but hope to next month. Our group is the "No Matter What" Group of Narcotics Anonymous. We are located in back of the

First Christian Church, 93 13th; Birthday night is the first Thursday of the month.

NA Family,

Once again' this last month has brought great things to our group. We are still providing meetings in the jail through Zoom. In a hybrid format. Sometimes they make the meetings, sometimes not, but still the option is there. We have had a good number of newcomers. Which is awesome as well.

Hello family!

WOW! What an amazing success the Cinco De Mayo speaker event was!
A huge thank you to John D. for his service in speaking, our subcommittee members: Abby L. (zoom/AV) Dave W. (key tags) Troy W. (DJ/ lights), Bailie A. (registration and 50/50 raffle), Sara R, and Tim K. (set up and clean up); and all of our amazing volunteers from TRP that helped clean up. Jason K for providing and cooking amazing food!!! We had over 60 people in attendance including zoom. Here is what the event brought in for area: \$256 from cash donations and \$228 from 50/50. \$227 was given to Lisa, the raffle winner. Total of \$484 raised to area for/from activities. With the \$200 provided by the area for this event, profit was \$284.
Activities subcommittee is set to meet May,15th @ noon, the Saturday following Area. I would ask that we meet the following week May 22nd @ noon, as many of us will be in attendance at a funeral. We will meet to discuss June's event, weather permitting this will be an outdoor event. I apologize, I am unable to attend this area meeting. My family and I are spending some needed time together this weekend.
Please feel free to email me any correspondence.

Public Relations Report Hi WBASC,

Public Relations continues to have low attendance and no structure so hopefully we get a vote on guidelines today! Angie and the fellowship in Wheatland are hosting Zoom meetings in the jail and Jason talked about Rawlins, but we are already serving Rawlins at a regional level. Also, PR Week is coming up! I would love to host a Learning Days. I need help, though! Here is information below:

I am willing to talk more about it at our next PR meeting, May 16th at noon at the link I have sent multiple times. Looking forward to reporting more later depending on how the guidelines move today!

“Our common welfare should come first; personal recovery depends on NA unity.”

Read pages 2-11. Do questions (in service) and bring back next month for Discussion.

#6 Are we aware of any challenges to our group’s unity? How can we better foster unity?

#9 Are we in communication with our local service bodies? How can we help to improve the flow of information? Do our members participate in service, and communicate to the group about what's going on?

Chair: Robert K,
Hello Fam,

I will be unable to attend the WBASC Meeting this month I apologize.

Jason and I went over The Agenda and we are sure that he will kill it as the chair for the upcoming meeting. That being said we were able to secure a venue as well as answer questions with Activities this month. We were able to help questions about new meetings and how to set them up. As we move forward and NA continues to grow don't hesitate to ask for help with anything that might be challenging on an individual based. NA thrives when we come together and invite our higher powers to guide us.

Vice Chair Report,
Good morning Family,

I have had the privilege to help the activities committee with providing an avenue to purchase food for a couple of upcoming NA cookouts. I also have obtained all of Area's literature from our former literature chair. I will go through it all by next month and have an inventory log of what we have and what we'll need. Please let me know if your groups will need any literature. I am very excited about our upcoming summer months activities and things finally getting back to normal. Please reach out if you have any questions or need anything from me.

I hope you are all well. This month we had deposits totaling \$257.34 and we had \$444.07 in outgoing monies bringing our bank balance to \$1,866.99. Unity days reserve is now

I hope all is well. I had the opportunity to attend the Upper Rocky Mountain Regional NA meeting on June 5, 2021. The workshop before the meeting was based on Consensus Based

Decision Making. It was very cool to put a name to some of these procedures we have been

using. Anyways a few things to report on: First, we voted and approved for 2 additional Regional

meetings in the months of December and April for a total of 6 region meetings a year.

Shawn

was nominated and accepted and voted in for treasurer and Maggie was nominated and accepted and voted in for secretary. Vice chair is still vacant. We voted and approved rotating

region meetings for next year from area to area. The next region meeting is in Laramie, Wyoming on August 7, 2021. We would like to ask the Wyobraska to provide donuts for

the morning session of the meeting as well as help in locating and securing a facility with wifi access. Please and thank you. That is all I have to report on.

Hi WBASC,

Live from Laramie is... live! And thriving. Our meeting attendance is average, around 8 people a meeting. We dissolved our H&I representative two months ago in the interest of supporting Public Relations and I don't know that we ever reported that to y'all. We haven't been to Albany County Jail in a few months due to a lack of structure, training, and available addicts to serve. Our 4th of July barbeque is set to be hosted on the 4th of July starting at 11:30am. We will eat at 12pm and then prepare for Brian P. who is speaking at 12:30pm. Also, please remember our campout, happening August 13-15 at Cinnabar Park. We donated \$65.64 to Area this month, which the treasurer already has.

No Matter What Group: Angie T.

Hello NA Family

I still have not gotten the links, updates, or minutes to my email address. Luckily, our secretary Josh has now forwarded it to me. I sent a message to Karen, and have asked a few times in area meetings to be added back to the email thread for area, so whatever else I need to do please guide me. As GSR I really think that I need to be getting it, lol. Again, my email is, atsukas3@gmail.com. I have looked at email thread and I am not on the recipients list.

Anyway, for the No Matter What Group, we are still holding strong in Wheatland, with continued growth which is so amazing and we are so grateful for the opportunity to serve and share and learn from others in recovery. Attendance continues strong with no less than 6 and a high of 15. That includes 10 newcomers and 2 returnees. We are continuing to have a presence over zoom and Goshen jail continues to join when they are able.

We don't have any new business at this time. We continue to advocate for others to step up and be of service but we are not quite there yet. I will obviously not be at Area this weekend due to a prior engagement.

We are thankful for the 7th tradition and are now able to place another order with NA world to restock our tags and books

Hi WBASC,

I do not have anything to report on PR this month as I was unable to hold the subcommittee meeting and don't (yet) have an alternate chair. Since y'all so graciously approved the PR guidelines we submitted. I hope that changes soon! Please refer to the guidelines to make yourself aware of the many service opportunities available and see if you are interested after reading the descriptions and suggested clean time requirements.

Public Relations is rescheduled this month, as the 3rd Sunday is Father's Day, and we have some dads in service!

Public Relations will meet tomorrow, June 13th, at 12:00pm here:

I hope to start meeting in person once more people show up for service work in Public Relations.

So much love to you all,

Unity Days: Alyssa C.

June 12, 2021

Hello WBASC,

Unity Days is fast approaching! This month, we straightened out our merchandise, land reservation, and agenda.

Firstly, unfortunately the hats and hoodies are too expensive to produce as stocked inventory. Therefore, we will not be selling hats to fundraise. Also, by July 15th, you must pre-order a hoodie when you register if you want one. Only those that pre-order hoodies will get one as they are too expensive to print for inventory. We will have stickers and t-shirts available at the campout, however, and you do not have to pre-order these. We have 100 stickers and 24 t-shirts. Please announce these changes at your various homegroups and communities, most especially if you already have flyers.

Then, Wild Bill does not have room for campers on his land, only tent camping. Organizing a campout when most places were hesitant to take reservations because of COVID-19 was hard, and we are grateful for Wild Bill. If you would like to bring an RV or camper, there are sites all around Red Feather Lakes, Colorado. We know for sure that Alpine Lodge at Red Feather Lakes currently has availability (apinelodgeredfeatherlakes.com). Sorry for this inconvenience, but options were quite limited back in February and still kind of are. Please also announce this to your home groups and communities.

We have planned some really great events and speakers for this campout. The layout will mirror a convention format, so we will have a Friday, Saturday night and Sunday morning speaker. Sean S. from Evanston, Wyoming is our Saturday night speaker. Amber G. from Yuma, Arizona might be our Sunday morning speaker, and Yvette from Fort Collins, Colorado is speaking for us Friday eve. We will also have men's and women's workshop, a "writer's workshop" to gather addicts' experience strength, and hope on unity, and even a 12-step yoga workshop hosted by CJ from Casper, Wyoming. We are also providing food both Saturday morning and Saturday night. So far, we know we will make breakfast burritos with a vegetarian option (maybe even vegan, just let us know and we can scrap the cheese) and have pancakes, fruit, and OF COURSE coffee. We will plan to have a vegetarian option for dinner, too. We will likely serve burgers and brats, So, I will get some black bean patties or something.

If you have any questions, reach out to either Abby, Kaleb, Dave, or me!

ILS,

Alyssa C., Unity Days Chairperson

Hey everyone,

It's great to see this body meeting in person again. I hope everybody is staying safe and enjoying the warm weather. I really don't have much of a report this month. We updated the Monday Basic Group meeting from 5:30 pm to 6:30 pm, on the meeting list. If we have missed updating any other meetings, please let us know. There are a few upcoming events that we have not yet posted on the events page. These will get added as soon as possible. This being my 2nd term at this position. And currently over 2 years. If we have any members currently interested in taking on the Wyo-Braska Area Web-Servant position. Please let us know. We would be happy to show someone what We've learned and get them transitioned in. We currently have no new emails to report.

Thank you all

Vice Chair: Jason K

Good morning family this is my report for July 2021. I won't be able to attend this meeting today due to work. I had a great time at the 4th of July event I believe the activities

committee did an outstanding job putting everything together . Thank you to everyone who helped and attended. I am excited to see how the literature chair is doing with the inventory and sales of literature. If I can help at all please let me know. I spoke to Robert about our Wyoming NA Facebook messenger Account. This account lately is struggling with a lot of non-relevant posts. I realize there is no current admin for this page, however I believe if members would like to post non recovery related topics on it we should change the name on it. Once again if anyone needs anything please feel free to contact me.

Hello NA family,

I hope you are all well. I will not be attending the meeting this month as I have to work, but I would like to thank whoever gets the pleasure of reading my report!! HeeHee! This month we had deposits totaling \$354.64 and we had \$253.84 in outgoing monies bringing our bank balance to \$1,866.99. Unity days reserve is now at \$335.87 as the location,

flyers, and merch have been paid for. Therefore, less the updated Unity Days reserve of \$325.87

(\$10 was spent on printing more flyers), the \$300 prudent reserve and the updated Activities

Subcommittee reserve of \$175.72 our opening balance for the July meeting is \$1,166.20. You

can see the full summary and detailed breakdown in the account summary below!

I was given a check for Unity Days payment in the amount of \$60. This amount does not reflect in my summary as I will give the check to Alyssa C. so all the Unity Days incoming funds

stay together and are totaled after the event.

I would also like to remind everyone of our Venmo account the username for this account is @WyoBraskaNA.

As always, my friends, I am grateful for the opportunity to serve and am excited for us as an Area body to continue growing and learning together.

If you have any questions, please do not hesitate to reach out to me at 307.761.2449 or

by email at wyobraskatreasurer@gmail.com.

Dear Family,

Doing the minutes this month has been especially challenging. I am having huge problems trying to copy and paste your reports to the minutes. It is taking an exceptionally long amount of time to copy and paste reports, sometimes it copies the previous report over and over, sometimes it will copy a report 45 times and I have to backspace a report 44 times, etc, etc. I don't know if this will help the issue, and I know I have asked this of members before; but again, if you could send your reports directly to me at karenlang714@gmail.com it would be appreciated. I will do whatever I can to get the minutes out in a timely manner next month. Please be patient with me as I am having computer issues at the time and I will seek assistance next month. Thank you for your understanding and patience.

ILS,

Karen L.

Live from Laramie: Alyssa
 Hi WBASC,

Live from Laramie is doing well. We had a wonderful 4th of July event and are anticipating a great campout, August 13th-15th. We rescheduled our group conscience meeting to August 20th, as it falls on that August 13th. That also means Area will fall on that weekend!

We were a bit confused on the minutes with regard to the Activities \$250.00 reserve. We voted YAY for a reserve of \$250.00 for Activities.

Also, Albany County Corrections reached out to us to say we can come back into the facility. I

will report on this more at Public Relations, which is where this kind of request should go. If you are interested in going to the Albany County Jail in Laramie and helping us plan this H&I meeting, please attend our Public Relations Subcommittee Meeting on July 25th at 12pm via Zoom or reach out to me if you have more questions.

We are grateful to serve and are thriving here in Laramie!

GUIDING PRINCIPLES WORKSHOP

The THIRD TRADITION "The only requirement for membership is a desire to stop using."

Question #7 How does our relationship to anonymity affect our ability to serve? How does our understanding of anonymity help us to accept how others serve? What consequences could arise from having our anonymity compromised?

(Anonymity; some people don't need to know our business, not family, work, (professionals), medical, children, etc,... Anonymity (everybody is different), and a lot of judgmental people are out there; it may be hard to find a job, with service work it may be necessary to keep work, home, and address confidential. Anonymity can also be applied to our drug of choice or our past, we can share that with our sponsor. We do not have to identify in public as a member of NA, it can get you into trouble. Anonymity in sponsorship is necessary.

Good morning family,

Hope everyone is doing well. I only have a little to report on life has been non-stop as usual. I attended our WYOBRASKA Unity Days campout up in Redfeather Lakes, Colorado which was amazing!!!! There were roughly 15 to 20 members in attendance. There was multiple meetings held, including a P.R. workshop, a men's meeting and lots of great food and fellowship. A few of us got to go fishing and I believe we all had a great time...also there were no bear encounters 😊. Thank you to our subcommittee members who put this event together, it was truly amazing. We plan on possibly having this event up there again next year. I have spoken with our RCM1, who was considering stepping down out of the position, but I believe he reconsidered. I also heard our RCM 2 is thinking about stepping down also. This troubles me because I am here to help way I can. Both of these positions I have served in. Please reach out to me in whatever WYOBRASKA. I am not always perfect at reaching out. However, I am excited and willing to be of service, however I can. It is getting close to school time and, I am going to reach out to our school contacts soon, to get the ball rolling on our school panels, which I am VERY EXCITED ABOUT 😊 LOL . If you would like to volunteer for a panel, please email or call me (307-214-1897) is my number. To wrap up this lengthy report, I would just like to thank all of you for all of your hard work and love in this fellowship. Please continue carrying the message to the ones who still suffer. In loving service.

Hello Family,

Once again, this has been a difficult month getting the minutes out. First it was a short month and there continues to be an issue with getting the reports to me in a timely manner. I would like to try as I have asked many times before for you to send your reports directly to me at karenlang714@gmail.com. Within 10 days after Area. This ensures that I have adequate time to print out minutes. Doing the minutes involves more than just typing them out. I have to spell check, correct grammar and punctuation, and many other things. Sometimes me and my computer have bad days and things just don't work out right. Thank you for your patience. Have a great month!

Hello family. This is My RCM/RCM2 report for August 2021.

Region met August 7th in Laramie.

We held a workshop on the topic of what does region do for area and it went over well.

However, we would have like to have seen more Area members in attendance to create continuity and understanding.

Region also had a Wyoming penitentiary inmate contact us who is seeking literature. To the best of our knowledge, we agreed to get this inmate literature as that is what carrying the message is all about.

The upcoming Convention in Casper is still going forward and will be held September 17th-19th at the Clarion Inn in Casper. For more info see the regional website where registration is available as well as information.

The world Board has proposed postponing the World Conference until 2023 it will be discussed further this Saturday at the Conference Participant Webinar in which both our regional Delegate Gail W. and alternate Delegate Ray B. Will be attending.

This would mean the CAR or Conference Agenda Report and CAT or Conference Agenda Tract would not come out the 2022 cycle for workshops or votes. A few items that are important items may get pushed through. More will be revealed.

We currently have a Vice Chair position open at Region.

In addition, I am asking the WyoBraska Area to be patient and supportive of both myself and Brandon, as Brandon is going to be working Saturday and I am as well. We both will do our best to participate via zoom, email and phone calls with the business meetings and service members.

In Gratitude, Dave W. RCM,

Brandon T. RCM2.

On Life's Terms: Closed due to Covid: Tabled until September

I contacted Unitarian Church on September 7, 2021. At this time the Church and the building is still closed due to covid and they are even having services via Zoom. I can reach out to them next month. I am trying to work on doing a group inventory. I apologize for the delay.

Serenity Seekers: Brandon

Good afternoon family,

I hope all is well. Serenity Seekers is doing well. Currently, we meet Tuesday and Friday at 7pm and beginning Sept. 4, 2021 we will meet Saturdays at 7pm as well. Average attendance is about 15 people. We added the reading "A Spiritual Journey" to our format. I highly recommend if you have not read this excerpt, to take a look at it. At this time, we are donating \$9.84 to Area which I transferred through Venmo to Bailie on August 20, 2021. Our speaker this month was Jim M. from Off the Wall Area this month and we had a great turnout. Our next speaker meeting is October 15, 2021. We are not having one in September due to the Region Convention that is being held. Our next group conscience is Sept. 14, 2021 after the meeting. I accepted a new job opportunity in Laramie, Wyoming and will be moving there over the next two months. I am stepping down as GSR and Friday Night Chair so if anyone is willing to be of service this group is in need of those two positions. It has been an honor and privilege to be a part of starting up a new group and see it flourish. Thank you all for allowing me to be of service in this endeavor.

With a lot of Gratitude,
Brandon T.

Live from Laramie Group Report

Hi Area!

Live from Laramie is thriving and well! Our opening balance is \$645. The campout was great, 50

people attended at its peak and the guest speakers were reportedly also great. Live from Laramie

spent \$339.78 in preparation for the event and received \$269 in donations, amounting therefore to \$70.78 spent on the campout.

We had some changes to chairperson positions and, also, our GSR position is currently vacant.

Our meetings have been fluctuating in attendance from averages of 2-7 people but going well.

We had no disbursements.

No Matter What Group:

Hello family! Welcome to our town!

Here is the report for August 2021 from the No Matter What Group of NA in Wheatland. We have no new news or needs at this time. We continue to hold strong here in Wheatland with no less than 9 people and the most is 17. We have had 8 newcomers. Our totals are based on zoom participation as well as in person. We are still having Goshen County Jail coming into the rooms via zoom as well. Our meeting has donated a Narcotics Anonymous blue book and a just for today book to the jail. We do not have an area donation this month, but we were able to purchase literature, coins, and tags. At this time this is all we have for updates.

Activities subcommittee is set to meet September 4th @ noon as usual. The Saturday following area.

We will meet to discuss facilities for the October 1st event, and Halloween.

I would like to take this time to practice the spiritual principles of honesty and humility. On July 25th,

after speaking with my Sponsor, I reset my clean date.

I have taken the past week to become very honest about my reservations and commitments to this program. After being wrapped in the love of my home group family and attending unity days. I now

have a clear understanding of the unconditional love of this program.

Moving forward I am taking it "just for today". I have no amends to make at this time as I am working

with my sponsor to identify the character defects and working through the steps.

I would very much like to continue my service at area and see my commitments through. I love and

appreciate each and every one of you! Without the individual, this area is not possible.

Please feel free to reach out as I would I appreciate perspective moving forward "just for today"!

If you would like to get involved in activities service, please email or call me!

IN LOVING SERVICE:

SARA R., WYO-BRASKA AREA LITERATURE CHAIR

P.R. Chair: Hi WBASC,

I do not have anything to report on PR this month as we did not hold a meeting.

I would like to ask Area for two things:

1. Can I ask for suggestions on a place to hold our subcommittee meeting? Should it rotate? If not, then I can find a place in Laramie if people are willing to commute.
2. Will Area pay rent for us to hold a meeting in person each month? If so, then I will find a place and request rent for next month.

Since I haven't sorted any of this out, we will be meeting on Zoom this month.

Public Relations will meet, this month, the 4th Sunday (August 22th), at 12:00pm here:

<https://zoom.us/j/96203550104>

So much love to you all,
Alyssa C., PR Chairperson

Unity Days Chair:

Hi WBASC,

Unity Days 2021 was spectacular, truly. We all had a wonderful time fishing and eating the fabulous food Jason cooked and learning from each other. Our speakers were amazing, our workshops were productive, and (I can't stress this enough) the food was very yummy.

We had some hundreds of years of recovery in attendance, I think. We had around 40 people total at the height of the campout with three newcomers and a lot of love. I sent membership surveys home with folks; let me know if you have finished them! Area would love to hear your voices about how we are serving you.

Our traveling speakers were Yvette and Shawn, whom I ask that we reimburse. I will follow up with our events coordinator, Dave, to get receipts, etc. as I don't have a report. Wild Bill gave back our payment to use his land as a donation. I propose we gift him, at least, a hoodie as he requested one.

Our merchandise (and miscellaneous) report is as follows:

We ordered 20 t-shirts, 15 hoodies, and 100 stickers. I believe we have 3-4 t-shirts left, one hoodie and about 80 stickers. There has been more interest in

making another hoodie order. I can do that anytime but again we need to order at least 12 to get the group discount. I also received feedback about ways to improve the next unity days. It was suggested that we make it closer to our area, not necessarily a camp out, include speakers from our area and avoid frontier days. I feel it was a success and we had 35-40 people in attendance at our peak. I have recordings of Yvette and Shawn speaking, although my phone quit recording Shawn after an hour and I missed the last few minutes of his share.

Thanks for those suggestions, everyone. Considering these COVID years we have had, we held a pretty kick ass event. I know it will be even better next time!

I am acting treasurer, and I am terrible at math, which is why I don't take treasurer positions, but here goes:

We received \$730 in cash registration, merchandise, and 7th tradition

donations, which I deposited into my account to Venmo to Area (Baillie won't be here today and I am on Zoom so this is the best way to quickly get our treasurer the funds).

We received a \$150 donation via check from a member, which I also deposited into my account to Venmo to Area, the total reaching \$880 in cash/check payments.

We received \$320 in registration and merchandise purchases via Venmo, plus another \$55 from me, which I will Venmo with the rest of these funds today, for a total of \$375.

Together, then, we received \$1,255 in donations, registrations, and merchandise. I have the receipt for the cash deposit I made into my account and I venomed \$935 to Area this morning.

We budgeted \$200 for food, which Baillie venomed me prior to the event. However, between paper products, a propane tank, and emergency canopies, as well as deciding to cook two, instead of one, meal, our costs exceeded this amount.

Therefore, I am asking Area to reimburse me as follows:

An extra \$147.56 because our groceries totaled \$347.36 at Wal-Mart.

\$76.75 for ice and a propane tank at Loaf and Jug (by the way, Area now has a propane tank that we can use & refill as needed).

\$29.26 for paper products and silverware at the Dollar Tree.

Finally, \$23.97 for bottled water at Shell.

The total reimbursement equals \$277.54. (Images of receipts below). In sum, after reimbursement, we are left with \$978 total.

I don't know what our guidelines are on reimbursement for speakers for travel. We also feel that Shawn S. should be reimbursed for his RV campsite if possible since we didn't know Wild Bill's land was not hospitable to campers when we asked him to speak.

All in all, it's been a wild ride and I am grateful to have served as a chair for this event!

ILS,

Alyssa

Hello family, I have been slowly learning the ropes of area web servant. It is taking time to adjust to the way things are set up. I need to make time with Gail to go through options to simplify our communication system. I've been successful in adding and editing meetings. I will suggest that web servant have a budget for printing meeting lists. I think that's all I have for my first month but I do expect to make slow and steady progress.

This makes it very difficult to announce upcoming events and meetings. Therefore, I am asking that all

reports be submitted to me within 10 days after the Area meeting. After this time, I will announce which reports

are missing on the Wyo-Braska Facebook site, and will expect those reports within 3 days or they will not be included in that month's Area's Minutes. If you are writing paper

Good afternoon family,
Since Region has not met since our last area meeting, we don't have a lot to discuss. A few items are: the Regional Convention will be held in Casper, Wyoming, Sept 17-19th at the Clarion Inn. The next Regional meeting is October 2nd, 2021, and we are currently awaiting to hear if it will be in person or via zoom. The general consensus is a zoom only meeting. We have an open position for vice chair, and are accepting any and all nominations so long as they meet the requirements. This past Saturday World Unity Days happened. It was a big success. Gearing towards the next NA celebration day; Sponsorship Days is November 1 and we think it would be a cool thing to hold a speaker meeting or some type of event to help celebrate NA days. Ok, so one thing to note: Region voted to cancel the Tuesday and Thursday zoom meetings and afterwards; it was discovered that groups of people still wanted those meetings. These meetings are still being held, but region asked if this area would host that meeting. We can talk more about this in new business.

Hi WBASC,

There is, finally, much to report for Public Relations. First of all, we have a committee! We elected Kaleb as PR treasurer, Abby as secretary, and Aaron as the H&I Representative. We are still in need of a Vice Chairperson and PI Representative. After we have a PI Representative. I can get a better gauge of our various panel leaders and members for the institutions we serve, and therefore a list of the institutions we serve. Speaking of institutions we serve—I have some updates. Firstly, thanks to Karen and Mike for sending me information on LCDC. They have paused programs until early 2022. Secondly, Albany County is open and ready for us, so we are going into Albany County Jail the 3rd Tuesdays of every month at 6:30pm. We must wear masks. I am the Albany County Panel leader and I have organized a couple folks who want to come in. I am working with Deputy Mendoza to clear people and get names on their list. Stay tuned, and if you are interested in serving Albany County, let me know. We need a couple more people, and some women would be cool, but the room is small so I will cap it at 4. Right now, it's Aaron and me. PR is hosting a workshop during the Activities event being held on October 1st, I think from 7pm-8pm. The Activities subcommittee will have more information on this. I would love if the subcommittee could also let us know what kind of workshop they are looking for. Steve G. and I are still in communication about a safety meeting, and I still need to research Nebraska. I need help with some contact information for folks out there. The only person I know is Dano. Does anyone else know who I can reach out to for more information about what is happening in Nebraska? I think before we can make any decisions at all, we need a "state of the union," as it were. Any help would be appreciated as I do some research. Finally, PR is meeting in person! We secured a location at 2950 Spruce Dr., in Cheyenne for \$15/month. Kaleb will need \$15 from Area as well as \$60 floating cash for any expenses PR might have. Please refer to the guidelines Area approved if you have questions about this \$60 cash reserve. We are meeting Sept. 19th at 2:00pm at 2950 Spruce Dr. in Cheyenne. See you there and so much love to you all,
Alyssa C., PR Chairperson

Kaleb asks how we pay church for meeting space. Area approved 15\$ for monthly rent and 60\$ petty cash for PR needs that arise. Kaleb will contact Bailie to take care of rent.

Aaron starting meeting in Albany at Albany County Jail Tuesday the 21st at 6:20. Aaron can hand out forms to take people into Albany County jail. Requirement is 6 months clean time. Not currently going into Laramie County jail. Angie mentioned that she was in contact with Torrington but they attend meetings through zoom on Thursday nights via Wheatland No Matter What meeting.

Alyssa contacted Beverley in Nebraska. They are struggling with meeting attendance and service involvement. Alyssa is waiting on further info, no info on Sidney or Kimball meeting. Region suggested contacting regional delegate for info. Abby offered to go to Scottsbluff to invigorate meeting for a period of time. Beverley expressed that they don't want to break off into their own Area. Unsure if that is their group consensus. Would like us to print info for them. Aaron suggests we have an event in Nebraska.

Brandon mentions that Activities wants PR to pay for pizza at October 1 event. Abby makes motion for 60\$ from PR to pay for pizza at event. Alyssa seconds. Motion passes.

Alyssa is point of contact with Deputy Mendoza at Albany County. Forms can probably be approved in 24 hours. Meetings are the third Tuesday at 6:30. Meet up is at 6:20. Alyssa suggests we limit our members going in to 4 people. Need to have at least 2 members at all times. Alyssa will print meetings to send to Area. They can be returned to Alyssa or sent to Albany County.

Steve G attended a Safety meeting where various chairs attended and discussed issues that arise. Suggest we make sure our meeting chairs are aware of what their expectations and boundaries are. Karen mentions that we discussed at area that we are supposed to call the police. We would have a safety meeting to train and inform meeting chairs. Steve needs help structuring a safety meeting. Aaron suggests we have a meeting to require chairs to attend. We will have an AD HOC committee schedule a safety meeting.

New Business

Concerns about contacting PO's about addicts relapsing. PR can hold an informational meeting for PO's. Aaron and Kristina will reach out to parole office to offer an informational meeting.

The Alano Club is struggling with various issues. Cheyenne Strong would like Alyssa to come and discuss PR. Suggested that members that have worked Tradition 1 with a sponsor can speak about unity. Karen will reach out to Sara with Cheyenne Strong.

PR will talk about what PR is and bring member survey to OCT 1 event

Brandon nominated for Vice Chair by Kaleb, 2nd by Abby.
Brandon is voted Vice Chair
Kristina nominated for PI Chair by Aaron, 2nd by Kaleb.
Kristina is voted PI Chair.

Aaron requests contact info for Angie.

Hello Family,

I've been familiarizing myself with the BMLT and word press site. I was able to update the meeting lists and removed the morning meetings from the Alano Club. We currently have an up-to-date meeting list. I printed out 50 copies. I delivered 20 to the Alano club, 20 to Serenity Seekers, and I have 10 to give to Anchors Away. I used around \$16.69 of the \$50 web servant budget for copies. I have been adding flyers to the WyoBraska website as they come in. I'm always happy to add more upon request, don't hesitate to ask. If anyone is trying to print out meeting lists be advised that the chrome browser doesn't seem to support the printable meeting lists for some reason. I am working on that, but you should have luck using a different browser.

MEETING OF THE MONTH

**Possible Road Trip to Wheatland: No Matter What Group; Thursday Nights at 7:00 p.m. also hybrid via Zoom
ID 354 322 6907 Password NA**

Old Business:

Still working on letter and/or communication to Scottsbluff. P.R. is currently working on some

Ideas of how to reach out.

Still working on Facebook Page.

Need a Safety Meeting because we are still continuing to have issues with suffering addicts

acting crazy, dangerous, threatening and abusive toward other NA members in an outside

of meeting places.

It has been decided that it is o.k. to call 911 when these type of disruptive disturbances are occurring.

P.R. is planning an Emergency Ad-Hoc Meeting Safety Meeting on Sept. 26, 2021 at 5p.m.

At 5p.m. If you Chair meetings or am concerned about this issue, please attend.

The Alano Club needs your help and your attendance of meetings. The Alano especially

needs the support of those with larger amounts of clean time who can share their experience,

strength, and hope.

Please be aware when you are in and out of meetings, when fellowshipping, how you look,

your behavior, and how you present¹¹ yourselves as a trusted servant in NA.

Serenity Break: (time break started and reconvened):

Break was from 1:21 p.m. to 1:35 p.m.

Sharing Session:

Gail shared about the monies originally donated to Unity Days, about how that money was spent, and the leftover merchandise. She tried to express to us as an Area how very

fortunate we are as a Unity Days Committee, and to have the monies that we have to

work with. Also, that perhaps, we should be more careful when we are budgeting that money, getting it approved, keeping track of our spending, and being more prudent with our budget. It is important that we make a budget before Activities, and then adhere to that budget, and try to do fundraising to replace that budget for the next Activity. Each sub-committee should have its own money with its own budget to work with.
When the money is gone, It's Gone.

New Business:

Jason and Abby discussed some various ideas for the upcoming Activity Events

In October and the Halloween Party. Many ideas were thrown out completely and

others were received well, including raffling of costumes, a costume contest,

attending a Haunted House, a cake-walk, a pizza party and ice cream social!

More will be revealed at our Activities Sub-Committee meeting later this month.

Remember the newcomer is always the most important person in the room,

Make them feel welcome at all our events!

Area will allow the Web Servant to have Zoom meetings when needed; Tuesday

@6, and Wednesday @6, Thursday in Wheatland. Details will be posted in WYO-BRASK

Hi fam,

It was a pretty busy month, shortly after our last area Brandon, RCM2, reached out and said that he had not interest in becoming the RCM. We talked and he decided that it was probable best to step down so that another person could get the opportunity to serve and learn from Dave W.

Karen L. Has been very sick and was not able to finish up that minutes this month. She needs to take some time to get better and said that it was probably best for her health to focus on getting better. She may still try to get the secretary position back in January if it is not filled.

Destiny, activities chair, stated that had not off more than she felt she could chew with the activities chair and has chosen to also step down.

After having some conversations with members of our NA community, we have decided it is time to setup an adhoc sub committee for our guidelines. They will look over, the guidelines for all subcommittees as well as the general committee. Upon going over the guidelines, they will come back with suggestions for us.

> Wyo-Braska ▾

Hello and season's greetings to the WyoBraska Area.

First of all I Dave W. Would like to formally apologize for my behavior at the previous October Area business meeting.

I saw some things at area I didn't feel were attractive and felt personally attacked which after some time to reflect realized I was not under attack and that Area will not always be pretty but what's even more is my behavior was unattractive and for that I apologize and am not resigning as RCM because service at the Area and regional level is my passion and my niche in NA service.

I love you as family and hope you will accept my apology and retain me to fulfill my commitment as RCM.

Truly the only thing I have to report is that I hope the things Gail and Myself addressed to be taken back to groups by GSRs were indeed taken back.

1 loving service

RCM DAVE W.

The WSC participants have met consensus on the postponement of the WSC to 2023, with an interim conference in 2022 to be held virtually. The interim conference will be held to fulfill our obligations to address legally essential business. That business is as follows:

- NA World Services Budget for one year – 2022-2023
- Extend existing FIPT moratorium on inspection clause for one year. (Acting as the trustor, the delegates present at the virtual WSC 2022,

are continuing the suspension of Article 5, Section 3 of the FIPT Operational Rules, while we make a decision about the future. This suspension will expire at the close of WSC 2023.)

- Adjustment of terms for WSC trusted servants. (the details of this will be provided)

We will also be reviewing and approving the Spiritual Principles a Day draft.

There needs to be a discussion on how we would like to proceed with the material we will be covering in 2022. Since 3 of the items that will be discussed and voted on are essentially CAT (Conference Agenda Tract) items, and this region does not normally workshop CAT items, it would be up to this body to determine if we will workshop these items and hold the assembly to gather the consensus of the groups. In the past, the region has given the delegate team a vote of confidence regarding CAT items, meaning that the region has felt that the delegate team has enough information in order to be able to vote accordingly to the region's wishes.

If we do not workshop these items, the only item we would workshop would be the SPAD draft.

We can do these one of several ways:

G

If we do not workshop these items, the only item we would workshop would be the SPAD draft.

We can do these one of several ways:

1. Ask the regional body if they would like to continue as before, giving the delegate team a vote of confidence in these items and not workshop any of the material or assign time at the Assembly for the gathering of consensus on the CAT material. If there are no objections to giving the delegate team the vote of confidence, then we can proceed without workshopping any of the interim CAT content.
2. Any literature coming from the conference needs to "Conference Approved" before it reaches the fellowship, conference approved means that delegates have brought the material to their members to review and vote on. This ensures that all of our literature is actually Fellowship approved, it is also a great privilege to be able to say that we were involved in the making of this new piece of literature – so therefore the suggestion is that the SPAD draft is workshopped outside the interim CAR/CAT. The delegate team can put together a comprehensive workshop that RCM's can take back to their area's and GSR's, and we will assign time at the April Assembly to gather consensus.
3. We could workshop all of the items in the interim CAR/CAT and assign time to gather consensus at the April Assembly.

Good afternoon family, live from Laramie is doing well. We meet Daily at 7pm except on fridays we meet at 8pm. We have a daily attendance that ranges from 4 to 12 which is great for our group. Our group votes are as follows: rcm reporting- can take whatever they want to region but we wish them to designate whether it was discussed at area or not. Delegates have the vote of confidence for workshop. Yes to the adjustment of terms for world. Unity days budget stays at 1000 and if they don't make that back then we would like area to replenish that up to a cap of \$250. For the money made over budget on subcommittees we voted that Money goes back to the area. On Dec 10, 2021 at 8pm our group welcomes Angie T. From wheat land as our guest speaker. Also beginning in December on sundays from 4:30pm to 6:30pm we are going to try to have game nights as a way to help fellowship with other addicts. All are welcome to attend.

Hello NA Family,

Lindsey here from the No Matter What Group of Narcotics Anonymous in Wheatland. Our meeting is still going strong and growing. We have had 9 newcomers within the last eight weeks and we also were able to get in set up for the men in the Goshen County Jail to attend if they would like via Zoom Meeting. Our group conscience is the last Thursday of each month following our meeting. The No Matter What Group of NA is every Thursday at 7:00pm at the First Christian Church in Wheatland, Wyoming. At this time we do not have any concerns. We are wondering if Area would be willing to donate two NA Blue Books for the Goshen County Jail please and thank you. We have had a minimum of 8 people and our maximum of 21 people and a total of 9 newcomers. We do not have any donations at this time. Our trusted servants are as follows:

Hi Family,

Here is the Web Servant report. Nothing much going on. Our cloud storage is full and we will need to figure out where to put our zoom recordings. Our email is mostly spam and Recovery centers trying to get NA to promote their links on our website, which I assume is a hell no. Tuesday and Wednesday zoom meetings are going strong and getting a lot of support since being added to the Virtual Na Meeting list. No more issues with zoom bombing. We might want to discuss plans for web servant moving forward. I am currently using my web cam and my son's laptop to set up zoom meetings and using roberts speakers and microphone. When I'm no longer web servant I will probably donate the web cam but not the laptop. Just some things to consider. I was able to print meeting lists for free and didn't need to use any of my budget. I'm happy to update the meeting lists as needed and add any fliers for upcoming events.

Hello WBASC,

Public Relations met with a good amount of attendance on October 17th.

We reviewed the procedure for ad hoc committees and discussed providing reports for future meetings and projects. The safety meeting did go well, however, and we discussed as a group various methods for addressing violent and disruptive behavior. The decision resulted in leaving Cheyenne Strong to determine next steps of action if disruptive behavior occurs again.

The H&I report is small, but if anyone is willing to go into Albany County, please reach out to me or Aaron for applications. Also, Kristina suggested talking with LCDC about moving meeting information to a more accessible location for people upon release.

Our PI representative (Kristina) reported that she would like to begin a conversation with a mental health clinic in Cheyenne, I think associated with the VOA? More to follow soon! We are also working to set up a possible information session for Probation and Parole in Cheyenne if there's interest.

Karen went to discuss unity at Cheyenne Strong, but I don't know how it went. I am sure well! Also, our October 1st event went well and, as you might remember, I asked members to distribute Area inventories so PR can get a feel for how we can best serve you. I hope to get some back today!

Finally, PR has put together a proposed budget for Area's review. It's attached along with this report. This is, of course, a suggested budget that will require both Area's approval and time to see our actual versus projected expenses. It's difficult to gauge, as well, because we will likely be in more facilities over the course of the next year. Also, I mentioned a couple meetings back it might be helpful to have branch accounts for our subcommittees which retain total budget amounts and to which subcommittee treasurers have access.

In loving service,
Alyssa C., PR Chairperson

RCM-

Hello WyoBraska Service Committee Members.

I don't have minutes from The December Regional meeting yet. But took some. Notes and will do my best to convey the topics. I'll fill in any blanks in my January report.

Gail W. Reported that World Services has enough reserve money to operate 87.5 days. This is if 7th tradition ceased to flow in. It is really important that we continue to support World Services through our donation so they can push forward with the the pertinent operation cost and carrying the primary message.

Ben from Central Basin; the current Convention Chair for 2022 has nailed down may 20-22 as the dates for the next regional convention has only blocked about 60 rooms and information should be available on the website around December 12th. Everyone in Central Basin is helping in bringing the next URMRCNA fruition.

The Questions for voting matters that were brought back to Areas and groups regarding the Interim Conference, CAR/CAT workshop and extending positions for Board members was largely given a vote of confidence for the delegates. Many Areas didn't take the questions back however and we have decided that we will go off of the consensus that is brought back. If Areas fail to convey the information that's on them, we cannot be held hostage by lack of participation.

The 2021 Convention brought in \$11,369.39 of which \$6000.00 will go back to seed money for the next Convention. **(Addendum: Jenni found another \$1,700 in PayPal)**

In addition. The 2023 rotation of The URMRCNA falls to WyoBraska Area service committee. We need to present a chair nomination to region at the next regional meeting in February on the 5th in Casper. Please take that info back to groups and present a nomination by January.

Another question is where would we like to send the delegate team. Gail has plain tickets that were intended for the delegate team to attend the Conference but it has been canceled in person. The tickets will be void by September and we think wasting the tickets would be a shame. The suggestions will be NA events only.

That is all I have to report at this time.

In loving service,
DAVE W. RCM.

At this time we do not have any concerns. We plan to purchase literature and key tags this month. We have had a minimum of 13 people and our maximum of 20 people per meeting and a total of 7 newcomers since last month. We continue to do hybrid zoom meetings with the occasional technical difficulty on our part. We are still learning. We do not have any donations at this time. Our trusted servants are as follows:

Live from Laramie

Good afternoon family, I hope you all are warm and well on this fine winter wonderland of a day we are having. The live from Laramie group report is as follows: Bailie is our new Friday night chair! Weather permitting Angie T from wheat land will speak in January at our monthly speaker meeting! Meeting attendance has been good- ranging from 2 to 7 people. We are going to have a New Year's Eve party after our meeting and welcome anyone wanting to join in fellowshipping to welcome in the new year. I did present the new guideline proposals to the group and there was no objections. The RCM2 position is a natural transition into RCM1 without need of a vote. The group nominated myself, Brandon T for the vacant activities chair and had no nominations for RCM2 or Secretary at this time. We also are doing Game nights on Sunday from 4:30-6:30pm before the 7pm meeting.

Thank you for allowing me to be of service

Brandon T

Also we have an area donation of \$83.33 :) thank you!

Activities Chair

As I volunteered to be the interim Activity Chair, the sub-committee met two weeks ago and have confirmed the Holiday Activity for Saturday December 18 from 6 to 9 pm. I posted a flyer on the Unofficial WyoBraska Facebook page and emailed the image document to the area email chain, feel free to disperse them as needed. :)

Web Servant report

Hey All,

Web Servant reporting! We have continued working on an effective way to handle zoom bombers and I have found ways to be more efficient about kicking people out in a timely manner. Shifa has stepped up to be co-host on Tuesday and Wednesday to assist in identifying problems and taking care of them quickly. It is also helpful when seeing unfamiliar or strange behavior to take away everyone's ability to unmute themselves and have them raise their hand to speak. It isn't always an issue and we have a decent sized regular group of addicts that attend these zoom meetings regularly. I finally go to do some actual diving into the code! We had an issue with our

printable meeting lists and after consulting with the BMLT group on facebook I was able to get that sorted out. I have added the flier for the snow fest event to the wyobraska website. As it stands the web servant is asked to attend all area meetings and special events to facilitate zoom. If I'm unable to attend in person, someone will have to set up and help me out. I think the area should have a working laptop that can continue facilitating zoom after I'm gone, I will donate my webcam and tripod.

Love you

Angie asked about suggested clean time requirements for keyholders, etc.

Gail reminds us to keep in mind when seeking nominations for Convention chair that this is a Region position, not Area, and therefore their participation is required at Region every single meeting. Also, nomination does not guarantee they will be voted in.

Brandon announced SnowFest plans like food, raffles, and merchandise. Zoom will be set up for speaker meeting, Abby requested to please inform her when those requests were made- Jason was to reach out but hadn't quite yet.

New Business

Web Servant under PR umbrella: position will lose vote if this happens. Vote can remain according to guidelines for subcommittee, says Gail. We also discussed task delegation and how having a subcommittee supports each trusted servant role. Area passes that PR will take over Web Servant duties and discuss vote issue at PR subcommittee meeting.

Robert suggests potentially purchasing iPad instead of laptop because of cost and storage. Fundraising for technology is questionable; we need to be clear about how and why we're using these funds. Should Area or PR purchase or hold on to laptop/iPad? PR will discuss funding equipment for digital accessibility and bring to next Area meeting.

Discussed parent/child accounts and Venmo to help create buckets for funds and mitigate overspending. Moved to create child accounts through WBASC Area account once we have elected servants in subcommittees.

John reports he gave Sarah money and Sarah does not have extra money. John reports he paid for a literature order at the PR subcommittee meeting and that Sarah took \$54. There's no receipt for this exchange of funds and Sarah reports she does not have money from John but feels like it may have happened. Sarah has not placed the order yet but may have what he needs in inventory.

Revised October 2021 changes and proposals

December 11, 2021, Public Relations Report

Hello WBASC,

Public Relations is busy at work organizing panels with Laramie County School District. Jason, our panel coordinator, has arranged a panel with East High School to take place January 18th, 2021. Aaron mentioned looking into South High School as a potential area of need, so we plan to reach out and see if there is interest!

We also discussed looking into carrying meetings into the Wyoming Medium Correctional Institution in Torrington as well as the county jail in Scotts Bluff. We need a bit more support from members, however, to really carry through a commitment with two more facilities.

I received and submitted volunteer applications for Albany County Jail and await response from Deputy Mendoza. Once we have that, more members can get into the jail, and we can keep our meeting in Laramie consistent!

We will be reviewing the H&I format for meetings in lockdown facilities and making edits as needed before we approve a format through group conscience. This will be a sort of boilerplate template for all H&I meetings to keep in tradition, maintain anonymity, and protect our fellowship and message. Most importantly, this helps to carry the message of NA to addicts who seek it.

We discussed absorbing Web Servant, but we want to bring up that whoever serves in this position currently has a vote at Area and will lose that vote if we take over the position as a subcommittee.

We received 3 phone calls between November 1 and December 11, 2021.

We are requesting a disbursement of \$30 to replenish our \$60 floating cash funds and \$72 to fund Jason's panel meeting materials if needed, for a total of \$102.

In loving service,
Alyssa C., PR Chairperson

Ad Hoc Guidelines Committee Report 12-11-21

Third Concept

The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.

We often use motions and guidelines to help us apply the Third Concept. We clearly describe each task we want accomplished, and the kind of authority we are delegating to those who will fulfill the task. However, even the most exhaustive set of guidelines cannot account for every eventuality. Our trusted servants will serve us best when we grant them the freedom to exercise their best judgment in fulfilling the responsibilities we've assigned them. Our services must remain directly accountable to those they serve, yet they must also be given a reasonable degree of discretion in fulfilling their duties. A group, service board, or committee should consult its collective conscience in arriving at its own understanding of the best way to apply this concept.

Hello WBASC!

Our first ad hoc meeting was on Sunday 12-05-21 at 10 AM and was very productive. We have decided to start at the beginning of the guidelines and work our way down through each section. We realize this will take some time and have decided that at each ASC we will present the proposals and areas that need addressed and request input from the ASC. We will make these changes as the ASC has given us their decisions on items we present. Doing this will ensure that when this project is completed, the entirety of the guidelines can be presented as a whole document. Below are the items we need input, votes and approval on. These changes are highlighted in blue.

SECTION 2 Purpose and Functions

1. For a new group to be eligible for inclusion in the WBASC, they are suggested to attend the meetings of the WBASC.

When more than one ASC servant can verify that a new meeting exists, they will be recognized as a new group in the minutes of the WBASC. At this first meeting the new group will be included on the (shared) Wyo-Braska Area meeting list and they will be listed on the telephone information line of the WBASC and the Wyo-Braska Area Webpage. It is suggested this new group give a verbal report and turn in a written report to the WBASC secretary for inclusion in the minutes

Change to:

For a new group to be eligible for inclusion in the WBASC, their representative must attend the monthly meetings of the WBASC. At the first meeting they attend, they will be recognized as a new group in the minutes of the WBASC. At this first meeting the new group will be included on the (shared) Wyo-Braska Area meeting list and they will be listed on the telephone information line of the WBASC. This new group will give a verbal report and turn in a written report to the WBASC secretary for inclusion in the minutes. After attending 2 (two) WBASC consecutive monthly meetings, this new group is then considered a full member in good standing at the WBASC with all the inherent rights and privileges therein.

After no representation in 3 months, the group will be taken off the roll call (agenda), they will remain on the meeting list, until the meeting can be verified that it does not meet or has been closed. If the meeting is closed it will be removed from the meeting list immediately. If the group returns to area, after being removed from the roll call and meeting list, they will need to follow the guidelines for a new group. **Proposal**

2. The WBASC will conduct an area inventory each year, to be conducted by the PR Sub-Committee. The inventory will be sent out to the fellowship each July and will be due by August, the PR committee will submit the results of the survey at the September ASC.
3. The WBASC shall donate all monies above its working prudent reserve to the URMRS and to the WSC NAWA. To ensure monetary security of the WBASC, no two (2) signers on the bank account of this area may reside in the same household.

SECTION 3 Meetings

1. The regular meeting of the WBASC is held every month on the second Saturday at 12:00 pm. All WBASC meetings are non-smoking. The ASC will rotate business meetings between towns currently being served by the WBASC (Laramie, WY; Scottsbluff, NE; or any location) determined by the ASC itself. A virtual option will be made available for those members who are unable to attend in person, virtual meetings will be recorded

SECTION 4 Members

1. The Seventh Concept for NA Service says, "All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision making-processes." It is for this purpose that all attending members of the WBASC, providing they are clean, will have the right to enter discussion and/or debate, introduce motions/proposals. These motions/proposals will be subject to the voting process used in the Consensus Based Decision Making format /process.
2. Voting members are comprised of committee members and GSR's. Money matters and matters relating to the business of the WBASC will be voted on within the business meeting, all other matters should be taken back to the groups for vote. **Ask for definition of what is sent back to groups**

SECTION 8 Duties of Administrative Committee Officers

1. Regional Committee Members (RCMs)

The two (2) RCMs are the WBASC’s representatives at the regional level. The RCMs link the WBASC with other area service committees within the Upper Rocky Mountain Region. The primary responsibility of the RCMs is to work for the good of the WBASC, providing two-way communication between the WBASC and the rest of NA. They represent the WBASC groups’ consciences at the regional level.

The RCMs attend all WBASC and all URMRSR meetings. They take part in any discussions and in all decisions affecting the region, speaking as the voice of the WBASC groups’ consciences. It is suggested that the RCM(s) have a minimum of three (3) years clean time, has demonstrated a working knowledge of the Twelve Traditions and the Twelve Concepts for NA Service, and presents a history of completed NA service positions, preferably at the group and area level.

It is the duty of the RCM(s) to:

- 1. Represent the interests of the WBASC at the URMRSR and to carry the WBASC’s groups consciences and work for the primary purpose of NA
- 2. Report to the WBASC verbally and in writing the activities of the URMRSR
- 3. Report to the URMRSR verbally and in writing the activities of the WBASC
- 4. Submit a written report of activities as RCM and a copy of the information submitted to the URMRSR at each WBASC meeting – report needs to be presented to area before submission to region – voted in 11/20/21 Should this be topics need to be discussed at area before reporting to region? Would like another discussion on this - Proposal
- 5. Attend all WBASC meetings, URMRSR meetings and Upper Rocky Mountain Regional Assemblies
- 6. Reimburse travel expenses to regional meetings and assemblies at .30 cents per mile
- 7. Will be signers on the WBASC bank account
- 8. Will each serve one two-year cycle, with the option of serving two two-year cycles, thus committing to up to eight years and four cycles in total
- 9. The “second” RCM is basically “in training” for a two-year term and will assume all tasks and responsibilities of the first RCM at the completion of the two-year cycle

Is it assumed that this is a natural progression or does the RCM2 need to be voted into the RCM position?

Area Votes on Ad Hoc Committee Guidelines Suggestions

GUIDELINES OF THE

WYO-BRASKA AREA SERVICE COMMITTEE OF NARCOTICS ANONYMOUS

SECTION 1 Name and Boundaries

The name of this committee is the Wyo-Braska Area Service Committee (hereafter referred to as WBASC) of Narcotics Anonymous (hereafter referred to as NA). This committee will service and include any and all interested Narcotics Anonymous Groups in Southeast Wyoming and in the Nebraska Panhandle.

The WBASC, in accordance with NA's 7th Concept, is an open participation forum which allows all interested NA members to participate in the process.

The WBASC also serves as a link between the NA groups of the Wyo-Braska Area and the Upper Rocky Mountain Regional Service Committee (hereafter referred to as the URMRS) of NA. And, the WBASC shall be registered with the Narcotics Anonymous World Services, Inc. (hereafter referred to as NAWWS).

SECTION 2 Purpose and Functions

The purpose of the WBASC is to support the Wyo-Braska Area Groups in fulfilling their primary purpose by providing those services and Standing Sub-Committees as deemed necessary by the groups. In the words of NA's Ninth Tradition, they "create service boards or committees directly responsible to those they serve". In all its proceedings, the WBASC shall adhere to the Twelve Traditions and Twelve Concepts of Service of NA. The WBASC is directly responsible to the groups it serves.

The WBASC is intended to foster unity and the common welfare of its member groups. Common welfare should come first; personal recovery depends on NA unity.

An NA group is described as follows in the "A Guide To Local Services in Narcotics Anonymous"; when two or more addicts come together to help each other stay clean, they may form a Narcotics Anonymous group. Here are six points based on our traditions which describe an NA group:

- All members of a group are drug addicts, and all drug addicts are eligible for membership.
- As a group, they are self-supporting.

- As a group, their single goal is to help drug addicts recover through application of the Twelve Steps of Narcotics Anonymous.
- As a group, they have no affiliation outside Narcotics Anonymous.
- As a group, they express no opinion on outside issues.
- As a group, their public relations policy is based on attraction rather than promotion.

An NA group is any meeting which meets regularly at a specific place and time, and which follows the Twelve Traditions of NA. The primary purpose of an NA group is to carry the message of recovery to the addict who still suffers. For a new group to be eligible for inclusion in the WBASC, they are suggested to attend the meetings of the WBASC.

For a new group to be eligible for inclusion in the WBASC, their representative must attend the monthly meetings of the WBASC. At the first meeting they attend, they will be recognized as a new group in the minutes of the WBASC. At this first meeting the new group will be included on the (shared) Wyo-Braska Area meeting list and they will be listed on the telephone information line of the WBASC. This new group will give a verbal report and turn in a written report to the WBASC secretary for inclusion in the minutes. After attending 2 (two) WBASC consecutive monthly meetings, this new group is then considered a full member in good standing at the WBASC with all the inherent rights and privileges therein.

After no representation in 3 months, the group will be taken off the roll call (agenda), they will remain on the meeting list, until the meeting can be verified that it does not meet or has been closed. If the meeting is closed it will be removed from the meeting list immediately. If the group returns to area, after being removed from the roll call and meeting list, they will need to follow the guidelines for a new group. (12/11/21)

The WBASC is comprised of Group Service Representatives (hereafter referred to as GSR), GSR Alternates, the Administrative Committee (consisting of the Chair, Vice Chair, Secretary, Treasurer, and two RCMs), Standing Sub-Committee Chairs, Ad Hoc Committees, and any interested addicts from the Wyo-Braska Area or elsewhere. The WBASC shall maintain a P.O. Box address, a bank account, an Information Phoneline and a web presence which will include the web page www.wyobraskana.org.

The WBASC will conduct an area inventory each year, to be conducted by the PR Sub-Committee. The inventory will be sent out to the fellowship each July and will be due by August, the PR committee will submit the results of the survey at the September ASC. (12/11/21)

The WBASC shall donate all monies above its working prudent reserve to the URMRS and to NAWA (Narcotics Anonymous World Services). To ensure monetary security of the WBASC, no two (2) signers on the bank account of this area may reside in the same household.

SECTION 3 Meetings

The regular meeting of the WBASC is held every month on the second Saturday at 12:00 pm. All WBASC meetings are non-smoking. The ASC will rotate business meetings between towns currently being served by the WBASC (Laramie, WY; Scottsbluff, NE; or any location) determined by the ASC itself. A virtual option will be made available for those members who are unable to attend in person, virtual meetings will be recorded. **There will be no calls for a vote outside the scheduled ASC meetings, unless an officer of the WBASC requests an emergency meeting to address any urgent issues. These emergency meetings will be held virtually. (12/11/21)**

SECTION 4 Members

The Seventh Concept for NA Service says, "All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision making-processes." It is for this purpose that all attending members of the WBASC, providing they are clean, will have the right to enter discussion and/or debate, introduce proposals. These proposals will be subject to process used in the Consensus Based Decision Making process.

Voting members are comprised of committee members and GSR's. Money matters will be voted on within the business meeting, all other matters should be taken back to the groups for vote to be decided at the next scheduled ASC. **To be voted on at the end of the project.**

SECTION 5 Officers

The Administrative Committee Officers of the WBASC are the Chair, Vice Chair, Secretary, Treasurer, and the two (2) Regional Committee Members (hereafter referred to as RCMs). These individuals are responsible for administrating the general affairs of the entire area committee. Because of that, it is important that great care be taken in their selection. A substantial amount of clean time and personal maturity should be the first consideration, along with experience with the 12 Steps, 12 Traditions, and 12 Concepts of Service. The officers shall be elected by the voting members present. The term of office starts when elected and lasts two years in length.

SECTION 6 Vacancy / Removal of Officers

The WBASC may declare vacant the office of any elected officer who has been:

- Fails to meet requirements and duties as described in SECTIONS 7 and 8 of these guidelines.
- Fails to stay clean and in recovery during their term.

Commented [GW3]: Needs to be added that the officers need to be accountable when waiving clean time requirements

Chairperson

The chairperson presides over the WBASC meeting and must show the ability to chair in a firm and understanding manner. At the WBASC meetings, the chairperson can only vote in the case of a tie on WBASC business. It is suggested that in the case of a tie, since a clear path for the fellowship group conscience is not there, the chairperson solicits minority opinion if applicable or tables the motion to the next regular meeting of the WBASC. This will give the groups time to clarify their vote and needs. It is suggested that the WBASC chairperson have a minimum of three (3) years continuous clean time, has demonstrated a working knowledge of the Twelve Traditions and the Twelve Concepts for NA Service, and presents a history of completed NA service positions, preferably at the area level.

It is the duty of the WBASC chairperson to:

- Open the meeting
- Recognize members or observers who are entitled to the floor

- Set a written agenda available for each regular WBASC meeting
- Will need to add something about determining if meetings should be virtual due to unforeseen issues

Vice-Chairperson

The vice-chairperson coordinates all standing subcommittee(s) functions. In the absence of the chairperson, the vice-chairperson shall perform the duties of the chairperson. It is suggested that the WBASC vice-chairperson have a minimum of two (2) years continuous clean time, has demonstrated a working knowledge of the Twelve Traditions and the Twelve Concepts for NA Service, and presents a history of completed NA service positions, preferably at the area level.

It is the duty of the WBASC vice-chairperson to:

- Submit a written report of monthly activities as vice-chairperson at each WBASC
- Assist the chairperson in any duties as may be mutually agreed upon, learning from the chairperson those duties inherent in that position
- Attend every regular WBASC meeting
- Will work with the RCM2 to assure that the duties of any vacant position at WBASC are performed

Commented [AKC4]: What does this mean? My understanding is that this is more project-based, and I appreciate the flexibility in our guidelines, so maybe we just add "when applicable."

Commented [GW5]: This section is not repeated in the RCM position description, should this be added or deleted from the Vice Chair description?

Commented [AKC6R5]: I say added because I think it's great that we delegate work to help Vice Chair when positions are vacant.

Secretary

The Secretary keeps accurate minutes of each WBASC business meeting, types and distributes copies to each member no later than two (2) weeks after the WBASC meeting. The Secretary is also responsible for maintaining the WBASC archives. It is suggested that the WBASC Secretary have a minimum of eighteen (18) months continuous clean time, has demonstrated a working

It is the duty of the WBASC Secretary to:

- Keep on file all GSR and Standing Sub-Committee reports
- Keep the WBASC official GSR /Administrative Committee/Standing Sub-Committee Chair roll and calls the roll when it is required
- Make the minutes and records available to members upon request
- Furnish committees with required literature and forms for the performance of their committees.
- Send or deliver minutes to members and all who request them no later than two (2) weeks after the WBASC meeting
- Make available at each WBASC meeting: group report forms, A Guide to Local Services in Narcotics Anonymous, and a current set of WBASC Guidelines
- Attend every regular WBASC meeting
- Guidelines?
- Submit all records, information, forms, and archives to the next Secretary when term(s) of office is/are done
- Maintain and utilize the provided WBASC laptop, keeping all area records digitally on the laptop.
- At the end of the secretary's term the laptop is to be turned over immediately to the area chair along with any passwords or encryptions that are associated with the laptop.

Commented [GW7]: Who will be updating guidelines and sending them out? Should it be the secretary or should an ad hoc committee be formed for guidelines?

Commented [AKC8R7]: I think the secretary should update and distribute guidelines after ad hoc proposes changes per the responsibility above stating that the secretary should keep a current set of guidelines.

Commented [GW9]: Is the area laptop still being used? If not, who has it and what are the plans for it?

Commented [AKC10R9]: Dave had it at last Area and it is still being used as far as I understand.

The Treasurer will make a report of all the contributions and expenditures at every WBASC meeting as well as an end of term(s) of office report. Regional Committee Members (RCMs)

The two (2) RCMs are the WBASC's representatives at the regional level. The RCMs link the WBASC with other area service committees within the Upper Rocky Mountain Region. The primary responsibility of the RCMs is to work for the good of the WBASC, providing two-way communication between the WBASC and the rest of NA. They represent the WBASC groups' consciences at the regional level.

The RCMs attend all WBASC and all URMRSR meetings. They take part in any discussions and in all decisions affecting the region, speaking as the voice of the WBASC groups' consciences. It is suggested that the RCM(s) have a minimum of three (3) years clean time, has demonstrated a working knowledge of the Twelve Traditions and the Twelve Concepts for NA Service, and presents a history of completed NA service positions, preferably at the group and area level.

It is the duty of the RCM(s) to:
